

Keepa Account Setup Checklist

Use this checklist to get your Keepa account created, activated, and ready to support your sourcing research. This process should take no more than 10–15 minutes.

Step 1: Create Your Keepa Account

- ☐ Go to [Keepa.com](https://keepa.com)
- ☐ Click Register (top right corner)
- ☐ Choose a Username and Password
- ☐ Enter your Email Address
- ☐ Complete the Anti-Bot Verification
- ☐ Check your inbox and click the verification link from Keepa

Step 2: Choose Your Subscription Plan

- ☐ After verifying, log in to your account
- ☐ Navigate to the Subscriptions page
- ☐ Choose either:
 - €19/month (billed monthly)
 - €189/year (billed annually)
- ☐ Select Individual or Business account type
- ☐ Enter your Billing Information
- ☐ Agree to the terms (note: Keepa restricts account sharing)
- ☐ Click Subscribe Now

Step 3: Install the Browser Extension

- ☐ Return to [Keepa.com](https://keepa.com) after subscribing
- ☐ Navigate to the Apps tab
- ☐ Click to add the Keepa Chrome Extension (or use your preferred browser)
- ☐ Confirm the extension is installed (should show up in your browser toolbar)

Step 4: Optional—Explore Key Menu Tabs

Here are a few tools to explore after setup (covered in future videos):

- ✓ Deals Tab – Find discounted items across Amazon
- ✓ Track Tab – Set price tracking alerts
- ✓ Data Tab – Access powerful tools like Product Finder, Seller Lookup, Category Tree
- ✓ Search Bar – Run ASIN or keyword searches directly from Keepa
- ✓ Comment Section – Community Q&A and Keepa team replies

Quick Tips & Reminders

- Keepa subscriptions auto-renew unless canceled
- All payments are non-refundable
- Account sharing can result in restriction, each user should have their own login
- You can cancel at any time, and service will continue through your billing period
